

Pickleball and Tennis Court Guidelines

1-The use of the pickleball and tennis courts is at your own risk.

2-Court hours start at 8am and end at 8pm, 7 days a week during the months of September through April. During the months of May through October, the hours begin at 8am and end at 9pm. This is to limit disturbance to residents in the area.

3-All guests may play pickleball and tennis. They must be accompanied and play with a resident during private play.

4- Be polite and courteous at all times. Please clean up after using the courts. If the lights are being used, please turn them off when play is finished.

5-These guidelines will be monitored and adjusted as needed. Please contact Management for help with TeamReach and Skedda.

PICKLEBALL COURTS

Pickleball Open Play. Open Play is for Del Webb residents only. There should be no private play.

Open Play Sessions for various levels will be posted on the TeamReach calendar from April through October (Code 082121). During the other six months, schedules for Open Play may be listed, as conditions permit. Sign up is required before attending a session.

Please play at an appropriate skill level. It will make the game better for all the players on the court. A Del Webb Pickleball Skills Chart was created for each level of play, "Beginner", "Beginner Plus", "Intermediate", "Intermediate Plus" and "Advanced".

To address this, the USA Pickleball ratings was used as a guideline to create a one-page, user-friendly chart with descriptions of skill criteria to help players assess their skill levels more accurately. The chart defines a skill set for each level of play for DWFP Open Play. Players are required to submit a self-rating before playing in Open Play, <https://forms.gle/Sn1PMTYaoTwrtaHr7>

During Open Play, the paddle rack should be used to maintain order. When players are waiting, play to 9 points. Rotate players in to give everyone an opportunity to play. Winners stay and split. If there are more than 8 players waiting, rotate 4 in, 4 out.
