

Dear Del Webb Residents,

We regret to inform you that we will be unable to open the pool as planned on August 21, since pool management companies simply do not have lifeguards available this week.

We will continue to work with these companies to get lifeguards for you as soon as possible.

We will keep you advised as developments unfold.

Please understand that we are deeply appreciative of your continued patience, and we are determined to offer you the fullest amenities we can as early as we can.

We are pleased to report the tennis, bocce and pickleball courts will open tomorrow as scheduled.

Sincerely,

Associa Community Management Corporation of New Jersey
