

The clubhouse is open to residents only from 5 am to 10 pm daily. All are required to wear masks in accordance with CDC recommendations.

The indoor pool is open 7 days per week from 9:00 am until 5:00 pm, year-round. Please note that no lifeguard is present, so a buddy system is suggested. Mask wearing is not required or suggested while in the water, but is required when not actually in the water in accordance with the board's resolution for reduction of virus transmission. Currently guests are not permitted, to include family members not resident at Del Webb.

Be sure to check the Association's Indoor Pool Rules for hours and other important information.
