

Good Afternoon,

Attached you will find forms which are mandatory to fill out if you are planning to do a re-sale or lease on a home/townhouse or condo in Del Webb at Florham Park. Management needs to be aware that realtors/prospective buyers will be on the premises and the intent to sell exists. The same will apply if you are planning to rent your property. As you may know, this is a 55 and better community. There is an age verification document that will also be required with photo id of the tenant/new buyers. This information can be found under the HOA portal on Connect as well as delwebbfp.com under the documents section.

Thank you!

Stefany Durland
