

Good Afternoon,

At this time please note that management office hours to see residents are between 11am and 3pm. Please contact info@delwebbfp.com to make an appointment. I also wanted to introduce JT Bretschneider to the community as well. JT comes with many years of lifestyle experience and he will be assisting residents with various issues including account related items, setting up appointments, ARC modification applications/questions etc.

- **Please ensure that you are leashing your dogs while they are out in the community. Dogs/other animals are not allowed to run on other resident's lawns and be off leash.**

- **I am pleased to let you know that the front gate is fixed. Thank you for your patience while we worked through this repair.**

- **We are still in the process of working on the fountain repair in the front of Del Webb. This is both a HOA and developer collaboration therefore we are working as quickly as we can on restoring this fountain to normal functionality.**

**Thank you,
Management**
