

We are happy to let you know the indoor pool and spa are open. The outdoor pool is also open and we are working on a temporary solution for the outdoor spa area to be fixed tomorrow- upon the temporary repair we will have the health inspector come out and give us approval for the outdoor spa to open Monday. As reminder, the summer hours for the pools/spas are 11am to 7pm. In the winter this changes from 9am to 5pm and there will be another announcement when that transition takes place.

I really appreciate our residents being so understanding on these projects and their progress.

Thank you,

Management
