

Dear Resident,

Please be advised the Outdoor Pool will close for the season on Sept. 11th. This will include the outdoor spa as well. The indoor pool and spa will remain open. We will send a follow up email on the hours of operation for the fall/winter months shortly for the indoor pool and spa. We are working on the best effort to extend the hours of the indoor pool and spa as much as possible to accommodate residents.

As a reminder, the outdoor pool and spa are closed to guests on Monday, Sept 5th which is Labor Day.

Thank you!
