

Dear Resident,

As communicated at our recent HOA Board meeting, we have followed up with the Florham Park Police Department to provide Title 39 services to the community. This permits the local police department to increase patrols and enforce traffic laws. The Florham Park Police Department can now issue tickets and enforce them via the local municipal court.

Now is a good time to remind our residents the speed limit is 25 miles per hour throughout the community and there are "No Parking" signs posted. Please abide by the posted traffic signs and do not park on sides where a "No Parking" sign is present as you will be ticketed.

Thank you for your attention to this matter.

Management/HOA Board of Trustees
