

Dear Resident,

Please be advised that the pool will be closed for the next 3 weeks while we wait for a part to repair the HVAC that heats the pool. The pool is currently around 74 degrees and we will open it fully when it gets to 80 degrees

The Spa will also be closed until next week as we get one of the tanks replaced.

We thank you for your continued patience during this time.

All the Best,

JT Bretschneider
