

Dear Resident,

Effective today, Del Webb clubhouse office & management will be moving our phones to a professional business system.

The new system will provide a main line to the office and direct numbers for each staff member. Typical features like voice mail, text and the ability to route calls to multiple devices have been included.

These are the new phone numbers:

Main Number: 973-969-3495

Stefany Direct Line:

973-291-2319

Liz Direct Line: 973-561-2311

Colby Direct Line:

973-969-2717

The old phone number will remain available until January 16. Please take the opportunity to change your contacts prior to that date.

Please note the gatehouse phone number will remain the same

Thank you,

Management
