

Due to the consideration for the safety of our community and the cautious interest in participating in large clubhouse events by our community we are postponing large social gatherings in the clubhouse through the end of January. This includes the following events - Meet & Greet, the Pizza & Trivia night, Men's Social, Lunar New Year celebration and The Acchords. These events will be rescheduled at a later date. No other activities have been postponed or canceled. The clubhouse is open.

The recent increase in COVID cases around the community, beginning with the New Year's Eve event, has generated concern amongst the community. The decrease in the interest in attending large and congested events has been understood by the social committee and the board. It was decided the best course of action would be to allow for the pause.

For those of you who have already purchased tickets for the events, you will be refunded in full. All refunds will be made through EventGroove within a short period of time. You do not need to contact Management or Lifestyle to request a refund.

Management, the Board and the Social Committee apologize for any inconvenience. We request you use best judgement to keep yourself and your community safe and healthy. Thank you all for your input and we hope everyone stays healthy and safe.
